www.salclaw.co.ke

ABOUT US

We are a boutique legal service provider who take pride in providing cost effective, specialized and customized services that meet global demands.

Our services are tailor made to suit the needs and circumstances of every client that we serve.

Mission

Our mission is to guarantee the peace of mind of our clients by providing advice that adds value.

Vision

To be the preferred legal service provider in Africa.

Values

Passion. Creativity. Service. Option based solutions.

Consultants & Practice Groups.

We have adopted the skills of various legal experts in various fields to be members of our practice groups. The experts are consultants of the firm and they ensure that we provide excellent, specialized and customized services to you.

We have tapped the expertise and experience of this consultants with the sole purpose of ensuring that we have the expertise to handle all challenges that face you.

Our practice groups also provide for efficient and effective management of the firm.

Services

CRISIS MANAGEMENT PRACTICE GROUP

We steer you through your difficult times. We are the fix it team that works out the hard stuff for you by combining the benefits of advocate client confidentiality, public relations, negotiations and back door diplomacy to minimize the effects of a potential crisis.

LITIGATION & ALTERNATIVE DISPUTE RESOLUTION

We are fierce litigators. Our team has experience in litigation having appeared in all courts be it in the tribunals, subordinate courts or superior courts. We serve you better by identifying your specific goals, gather the facts, evaluate the legal issues, and then focus our efforts on achieving that goal efficiently. If the objective can be achieved by settlement, we are skilled negotiators within and outside mediation settings.

COMMERCIAL, CORPORATE & TRANSACTIONS LAW

As your business partners we offer sound business solutions grounded on the principles of commercial awareness, we understand that our clients want advisors who understand business. We turn our client's visions into reality by getting the deal done.

PROPERTY LAW & CONVEYANCING

We provide comprehensive legal services to buyers, sellers, developers and residential lenders throughout all phases of real estate transactions. So whether you're purchasing or selling real estate, refinancing your private or commercial real estate, planning to build your own home or wanting to extend an existing building, we are able to offer you expert contractual, commercial and conveyancing services.

SOCIAL MEDIA & CYBER SECURITY LAW PRACTICE GROUP

We plunge into this new area believing that trends in social media and online marketing have dramatically shifted how you communicate and conduct business. It has become evident that not many of you are fully aware of the legal and reputation risks that can arise from this relatively new medium. We help you navigate these murky waters by guiding you on how to safely and legally conduct yourself online.

NON- GOVERNMENTAL ORGANIZATIONS LAW PRACTICE GROUP

We are no strangers to the needs of non-profit organization. We help these institutions and individuals with a range of issues i.e. from simple bequests to starting foundations and charities to complying with mandatory filing requirements.

We appreciate that such institutions and ventures are a significant sector in our economy.

LEGAL AUDITS, LEGAL RESEARCH & LEGISLATIVE DRAFTING PRACTICE GROUP

We understand that various organizations are faced with perplexing array of law and regulations that impact their various areas of operations. Our legal audits are properly conducted and are meant to ensure you are able to frame, prioritize and anticipate the most important issues and minimize costly surprises which distract your focus.

ENTERTAINMENT, SPORTS & MEDIA LAW PRACTICE GROUP

Combining legal acumen, and business experience we advise you on drafting & negotiation of entertainment industry contracts such as talent management, development & production agreements, General business issues and Wealth management

FAMILY LAW & SUCCESSION

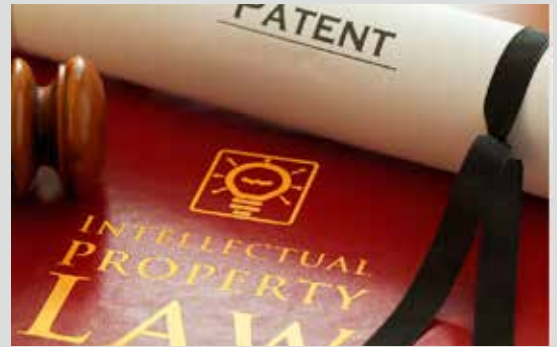

We deal with a diverse range of legal issues relating to marriage, civil partnerships and unmarried couples, including pre and post-nuptial/civil partnership agreements, separation, divorce, financial claims, wills and cohabitation.

We also handle work relating to children, including financial provision for children, contact and adoption. We negotiate out-of-court settlements too.

INTELLECTUAL PROPERTY LAW

We appreciate that intellectual property is the lifeblood of many businesses in today's competitive markets. We are here to assist you with identifying, protecting, managing and defending a myriad of intellectual property assets. From patent, trademark and copyright assets to trade secrets, data privacy and domain name issues.

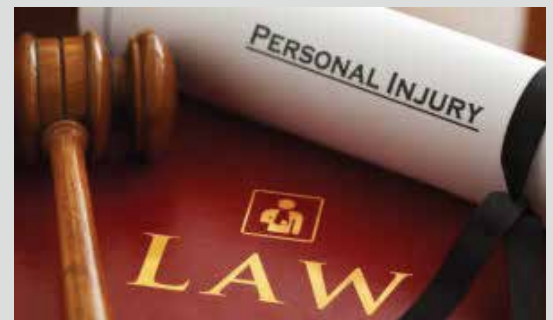

CONSUMER PROTECTION LAW

We advise consumers as well as businesses whether and how to pursue legal action to halt and obtain compensation for the deceptive practices of corporations. With a blend of courage, astute legal skills, and high principles, we protect your interests and help you achieve your goals.

PERSONAL INJURY & WORKERS COMPENSATION

We represent clients who have been involved in motor vehicle accidents, construction site accidents, premises liability, dog bite victims, workplace accidents involving defective machines, and wrongful death cases.

EMPLOYMENT & LABOUR RELATIONS LAW

We advise you on all aspects of employment and labour law including labour relations, collective bargaining, wrongful dismissal, pension and benefits, human rights, employment standards, workers' compensation and privacy issues.
